SOLUTIONS FOR SAFE OPERATIONS

In these difficult and uncertain times, we understand the pressure your business is facing to keep staff safe while providing essential goods and services to the public. This is why we've launched a range of solutions to protect at-risk workers across healthcare, supermarkets, grocery stores and other retail environments.

Solutions include protective face visors and social distancing signage supplied by BRC quality certified premises, meaning they meet all food safety requirements.

Totally customisable to include the company name or additional information that you might require

PROTECTIVE FACE VISORS

Our face visors are made from a range of Gloss Clear materials such as Polyester and Staufen PVC to ensure maximum hygiene and a high degree of optimal clarity, making them suitable for all environments including healthcare.

POA FACEVISOR

SAFE DISTANCING TAPE

Our safe distancing tape is durable and bright to ensure social distancing is implemented and adhered to. It can be easily applied and removed from a variety of surfaces.
